Cracker Times And Pioneer Lives: The Florida Reminiscences Of George Gillett Keen And Sarah Pamela Williams

Synopsis

Brings together the reminiscences of two pioneers who came of age in antebellum Florida's Columbia County and the nearby Suwannee River Valley. Though they held markedly different positions in society, the two shared the adventure, hardship and tragedy that characterized Florida's pioneer era.

Product Dimensions: 6.1 x 0.5 x 9.2 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (10 customer reviews)

Best Sellers Rank: #1,308,061 in Books (See Top 100 in Books) #137 in [Books > Humor & Entertainment > Humor > Rural Life](#) #840 in [Books > Biographies & Memoirs > Regional U.S. > South](#) #5155 in [Books > History > World > Women in History](#)

Customer Reviews

This book is a great book for anyone who enjoys a good, humourous, story. The first narrator, Geroge Gillet, is the Florida equivalent to Mark Twain. His humor and writing styles are remnants of a time long ago. The second narrator, Sarah Pamela, is a southern daughter caught in problems not of her time. It is her diary and her story of life in historic Florida. This book illustrates Florida as it has long been forgotten as the expanse of condos on the beach has given it a new face. This is a story of old Florida as it will never be totally forgotten.

A remarkable account of one woman's life in upper Florida before, during, and following the Civil War. The "cracker" section is entertaining, but Sarah Pamela Williams' account is warm and perceptive. There was lots more going on during that event than we learned about in US History classes! I really felt that I knew this woman and the details of a life that we will never have to experience, thank goodness, and how she coped with myriad small (and large) struggles she encountered every day.

A fantastic book that tells the real history of the settlers of Florida. Everyone interested in that time in Florida history should read it to hear the voices of those that actually fought to settle a very hostile land.

I was interested in learning about the first settlers in Florida. I live in Florida (Columbia County) THIS book was very informative..

I got this for my mom for Mother's Day and she was thrilled! She was very excited to see her grandfather was written about in this book.
