Good book for college studying! All the definitions and texts are clear, has pictures, interesting facts. I never took/read anything about Criminal Justice before, but this book was extremely easy to read! I'd recommend this to anyone, even if you're just reading for yourself and not for school.

I am studying Law and I found this book to be very helpful. I have learned a lot by reading this book

and would suggest it to someone else in school that is learning Law.
