I Love God's Sense Of Humor; I Just Wish He'd Let Me In On The Joke

Synopsis

Have you ever felt like you were the only one in the crowd who didn't get the joke? The joke was told with great delivery...but the punch line just flew over your head? The Christian life can be a lot like that. We're told that God has a great sense of humor, but sometimes His irony leaves us gasping instead of giggling. In his new book, *I Love God's Sense of Humor; I Just Wish He'd Let Me in on the Joke*, Stan Toler addresses the awkward moments of life and the silence that fills the air after trouble or tragedy has occurred. With humor and insight, Toler revisits the lives of biblical heroes who struggled to find the humor in horrifying situations yet found the courage and faith to overcome the obstacles in their lives. He helps you learn to deal with some of life's most pressing problems--while still managing to keep a smile on your face. *I Love God's Sense of Humor...* will remind you that you don't necessarily need a great sense of humor to get God's punch lines. You just need a great sense of faith--the ability to see that God will get you to Jerusalem even if you have to go through Cleveland to get there. In *I Love God's Sense of Humor...* you'll learn to overcome: Obstacles, Disappointment, Temptation, Anger, Fear, Inadequacy, Doubt, Hopelessness, Failure, Loneliness

Customer Reviews

The book is well written and easy to read on the topics it addresses. However, it is a big stretch to make it relate to God having a sense of humor. I've used that expression for years, but this author seems to have used it for an eye-catching title which doesn't fit the book's content.

I expected to find a book based on life, God, and the experience of humor. I found too much scripture and too little applicability to simple, day to day situations.

simple to read & understand, but very powerful. He takes very serious situations from the Bible & makes them understandable & how to apply them to our own life.

Fantastic read! He is truly a great and interesting writer. It sheds light on things are better than we may perceive.

Stan has good insight into the accounts of people in the Bible. His deeper look into a story or event in the Bible is refreshing. He is able to bring those experiences into today's realm and make them relevant.

Delightful book. Fun Read.

Bought the hardcover as a gift, - took a peek - had to order it for myself. wonderfully written , great guidance through God's word. Mr Toler knows how to write.
