Love Uncle John's Bathroom Readers and Canoramic is yet another great edition. If you have not had the pleasure in reading an Uncle John's Bathroom Reader you are in for a treat. These books are filled with fun facts that keep you wanting more. There is so many different things packed into one book - just a tidbit of information about each topic - just enough to get to the point. Some are truly remarkable, some are funny and some are just bizarre. And don't forget to check out the little facts that are printed on the bottom of each page.

As good as previous bathroom readers. Super fast shipment.

I am a huge fan of Uncle Johns Bathroom Readers and this one does not disappoint! I have probably read all of the longer Uncle John books and buy them as soon as they are released. I am so glad they started making them available for the Kindle! These books are great to read as intended (per the title), but I read them before bed. I used to read novels before bed but found myself always just wanting to read "one more chapter". These books are great because the topics are generally covered in a few pages and then moves on to a completely different topic. Perfect for reading when you don't have a lot of time and perfect for reading when you do!

This edition is their best one to date. Have taken it out of the 'library' and into the den...it gains respectability when you do....

This is my fourth or fifth Uncle John's, and it's right up there with all the others. Fun, short bits of information. Great for bathroom reading, of course, but I also like it a bedtime to clear my head of serious thoughts so I can sleep. And it's interesting how these disjoint topics sometimes happen to correspond to something in the news or pop culture headlines. This is a great series.

Like it. As far as I know, I've read every Uncle Johns reader and have always enjoyed them.

I've been a bathroom reader since #4 so it's been a while. I must say I really enjoy this edition. The story's are fun to read and entertaining! I would highly recommend this bathroom reader to anyone.

Uncle John's Bathroom Readers are always full of interesting tidbits. They flow easily. With no particular direction from one article to the next, one can drop off to sleep and pick things up the next time. Very enjoyable.
