Post-Colonial Trinidad: An Ethnographic Journal (Studies Of The Americas)

Synopsis

This journal, originally kept as part of a study of race and ethnic relations in Trinidad, records daily field experiences where the observers/researchers were engaged in participant observation.

Customer Reviews

Trinidadians can identify with most of the interesting information in this book some of which is outdated. There were errors in names and places and the book should have been edited and updated before publishing. Nevertheless it is a good book for one's library collection.
