The Complete Handbook Of Child Custody, Visitation & Support

Synopsis

This book is valid in all of the states of the United States. It answers every question that may arise in matters of child custody, visitation and support; questions that go to the heart of these issues. This book was researched by the author with interviews of actual parties to divorces as well as judges sitting in Family Law courts who make decisions on the issues of child custody, visitation and support. Also interviewed were court appointed evaluators whose reports are used by judges in arriving at their decisions. The reader will be taken inside the minds of the evaluators and the judges and told what to expect and how to handle themselves when dealing with these decision making Officers of the Courts. Readers will learn what is required to have someone declared an "Unfit Parent." The information in this book will save those involved in child custody, visitation and support issues thousands of dollars in attorney time since they won't have to pay for answers to those "quick questions" that attorneys charge to answer. A "must have" for anyone involved in these issues or simply as a reference.

Book Information

File Size: 1498 KB

Print Length: 196 pages

Publisher: Second Edition (August 31, 2013)

Publication Date: August 31, 2013

Sold by: Digital Services LLC
