Your Rights In The Workplace

Synopsis

The most complete handbook on workplace laws ever published -- a must-have for every employee.

Your Rights in the Workplace covers everything from rules for hiring and getting paid through losing a job and unemployment benefits -- all in plain English. Get the facts on: - illegal firings and layoffs - challenging a job loss - wages and hours - privacy on your email and voice mail - family and medical leave - on-the-job safety and health - health insurance and retirement plans - workplace testing - sexual harassment - discrimination - unemployment, disability and workers' compensation insurance This edition is completely updated to provide the latest legislation and case law that affects employees in all 50 states, including changes to the Family and Medical Leave Act (FMLA), new rules on COBRA continuation of health insurance, and the new Genetic Information Nondiscrimination Act (GINA). This book also addresses HIV/AIDS, privacy rights and the Americans with Disabilities Act.

Customer Reviews

Because I was hired to facilitate an HR Law class, I found this book to be a valuable resource for my program. With state law resources at the back of many of the chapters, I was able to direct my participants to the right laws for their state.

In todays world the work place can be a place that those whom you work for can take advantage of and knowledge one needs to know

great book
